Subsemnata Felderean Maria am facut terapie Bowen cu doamna Farcas Georgeta.

Probleme inainte de terapie: constipatie, atacuri de panica, insomnie, dureri articulare, dureri de oase, hipertensiune arteriala, coxatroza, gonatroza.

Probleme rezolvate:

- tensiunea reglata
- constipatia-nu mai este
- insomnia a disparut
- durerile articulare au disparut in mare parte
- picioarele nu mai sunt umflate

A handwritten signature in blue ink, appearing to read 'Felderean', with a horizontal line drawn through it.
